- 03** Agenda

ibi Summit Roadshow: Boston

We are so excited to take Summit to Boston this April in the first stop on our Summit Roadshow Series that brings innovation, insight, and networking opportunities directly to you. Included here you will find information on registration, the Expert Room, the day-of Agenda, and ibi team members present at the event.

Registration

Registration is now live at ibi.com/events. Save your seat at Summit Boston today as spaces are limited and registration closes on April 1st. After registering, you can expect to receive a registration confirmation email. You will be asked to confirm your registration in the weeks leading up to the event, at which time you will receive information on the venue in downtown Boston. Access to the event is complimentary.

Expert Room

Our Expert Room will be open from 10 AM - 4PM EDT during the event. If you would like to book time in advance with an expert, please email Hannah Knox directly at hannah.knox@cloud.com. Booking a meeting in advance is not a requirement. Feel free to drop by the Expert Room on the day with your laptop and questions regarding your deployment in hand.

Meet Your ibi Team:

Agenda

8 AM - 9 AM EDT | Breakfast & Coffee Hour

9 AM - 10 AM EDT | Keynote & Product Update

Building a better future, together

Join us for an exclusive look at the future of the ibi portfolio and a special product update.

Session led by: Dan Ortolani, Angie Hildack and Porter Thorndike

10 AM - 11 AM EDT | Breakout Session

App Studio today, Designer tomorrow

Have you been a long time App Studio user but you're curious about all that WebFOCUS Designer has to offer? Join this session to learn how Designer allows you to do everything you love doing in App Studio more effectively and efficiently with top-notch visuals.

Session led by: Dirk Kuerbig and Angie Hildack

11 AM - 12 PM EDT | Hands On Lab

You had me at AI: How to make WebFOCUS Designer sing and dance

The series of WebFOCUS 9 releases have been packed with new features in the world of WebFOCUS Designer. Want to learn how to use these features + our new AI and ML functionality to their full potential? Bring your laptop and your questions for this session.

Session led by: Porter Thorndike and Angie Hildack

12 PM - 1 PM EDT | Lunch & Coffee Hour

1 PM - 1.30 PM EDT | Breakout Session

The future of hybrid cloud

Have questions about the cloud? Join us for this electric session on Cloud and Containerization.

Session led by: Mark Nesson and Angie Hildack

1.30 PM - 2 PM EDT | Breakout Session

New pathways to modernize and automate your mainframe

Mainframe modernization shouldn't be scary. Join this session to discover a better way to modernize your use of mainframe data.

Session led by: Mark Nesson and Angie Hildack

2 PM - 3 PM EDT | Hands On Lab

Level up your App Studio knowledge in WebFOCUS Designer

Learn how to take inspiration from your App Studio builds and build better in Designer. Bring your laptop for this session to follow along.

Session led by: Dirk Kuerbig and Chris Kaplan

3 PM - 4 PM EDT | Breakout Session

Get to know your new best friend... Elevating the quality of your data with ibi Data Intelligence

Data quality shouldn't be an afterthought. Join this session to learn how putting data quality at the forefront of your analytics strategy empowers you with measurable, reportable, and actionable facts about your data.

Session led by: Steve Dewitt and Santosh Padhiari

4 PM - 5 PM EDT | Breakout Session & Closing Remarks

ibi roundtable discussion

Join this final Breakout Session of the day for a Roundtable Discussion. Bring your questions in hand as we part ways for the day.

Roundtable discussion led by Porter Thorndike with the ibi team. Closing remarks given by Dan Ortolani.
